Amy Wang
Director of R&D, QA
Invitro International Inc.
330 E Orangethorpe Ave. Ste. D
Placentia, CA 92870-6503

Dear Ms. Wang:

This is in response to your August 30, 2017 application for renewal of special permit DOT-SP 10904.

In accordance with 49 CFR 107.113(e) and (g), your application is denied for the following reason(s):

This special permit is no longer necessary. The provisions of DOT-SP 10904 were incorporated into the Hazardous Materials Regulations under Docket No. HM-215K in a final rule published in the Federal Register on January 19, 2011 (76 FR 3308). The authority is now contained in § 173.137.

A copy of HM-215K can also be found at:

<https://www.gpo.gov/fdsys/pkg/FR-2011-01-19/pdf/2010-33324.pdf>

You may request reconsideration of this decision within 20 days of receipt of this decision. In accordance with 49 CFR 107.123 a request for reconsideration must:

- 1) Be in writing;
- 2) State in detail any alleged errors of fact and law;
- 3) Enclose any additional information needed to support the request; and

Tracking Number: 2017098367

DUNS Number on file: 601281678

4) State in detail the modification of the final decision sought.

If you have any questions, please call the Office of Hazardous Materials Safety, Approvals and Permits Division at (202) 366-4535.

Sincerely,

A handwritten signature in blue ink, appearing to read "W. Schoonover", with a stylized flourish extending to the right.
